Maybe even better than free.

Your wallet will be none-the-lighter! Just so we <sup>TM</sup>re all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Unfortunately, we can <sup>TM</sup>t make that part free. File is free to use with no gotchas and no hidden fees. So try our free and simple filehosting service now. filehosting provides an easy possibility for you to send large files to your friends. Keep your files private, or send your download links only to friends or family. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Simply upload your file and share the link. The cost of that data transfer is covered by your internet service or the data plan on your phone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You don't need any special software installed to be able to download your files. You decide who you want to share your files with. When you use file, you avoid storing the file you <sup>TM</sup>re sending in your cloud storage or mail server. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Any file in any format can be uploaded and downloaded for free. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Our service is completely free for everyone. Files can be downloaded from any computer from our high speed servers. Using file, you can circumvent those limits without paying to upgrade your team chat service. There are no restrictions on the number of times a file can be downloaded. You can give this download link to your friends by mail or instant messenger. If only we could, we surely would! On the other hand, using file can actually save you money. It is also allowed to link to the download page from websites and communities. You can upload any type of file (movies, music, documents, images, zip files and more). We have no file size limit. Just upload the file you want to share with your friends and we send you a download link to your

file. No account or credit card is required to get started.
