Maybe even better than free.

You can upload any type of file (movies, music, documents, images, zip files and more). We have no file size limit. Any file in any format can be uploaded and downloaded for free. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Simply upload your file and share the link. Unfortunately, we can't make that part free. You can give this download link to your friends by mail or instant messenger. No account or credit card is required to get started. Our service is completely free for everyone. So try our free and simple filehosting service now. You don't need any special software installed to be able to download your files. Just upload the file you want to share with your friends and we send you a download link to your file. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Files can be downloaded from any computer from ourhigh speed servers. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. Alternatively you can choose to share your download links on blogs, forumsand social networking sites. If only we could, we surely would! On the other hand, using file can actually save you money. Why pay storage fees for a file thatyou just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. filehosting provides an easy possibility for you to send large files to your friends. File is free to use with no gotchas and no hidden fees. Using file, you can circumventthose limits without paying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. The cost of that data transfer is covered by your internet service or the data plan on your phone. It is also allowed to link to the downlo
